DECISION ON ATTORNEYS' FEES AND COSTS¹

Dorsey, Chief Special Master:

On November 16, 2016, petitioner filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*,² (the "Vaccine Act"). Petitioner alleged that she suffered a shoulder injury related to vaccine administration ("SIRVA") following her November 18, 2015 influenza ("flu") vaccination. Petition at 1. On October 31, 2017, the undersigned issued a decision awarding compensation to petitioner based on the respondent's proffer. (ECF No. 33.)

On December 18, 2017, petitioner filed a motion for attorneys' fees and costs. (ECF No. 37.) Petitioner requests attorneys' fees in the amount of \$14,182.00 and attorneys' costs in the amount of \$723.67. (*Id.* at ¶ 4.) In accordance with General

¹ Because this unpublished decision contains a reasoned explanation for the action in this case, the undersigned intends to post it on the United States Court of Federal Claims' website, in accordance with the E-Government Act of 2002. 44 U.S.C. § 3501 note (2012) (Federal Management and Promotion of Electronic Government Services). In accordance with Vaccine Rule 18(b), petitioner has 14 days to identify and move to redact medical or other information, the disclosure of which would constitute an unwarranted invasion of privacy. If, upon review, the undersigned agrees that the identified material fits within this definition, the undersigned will redact such material from public access.

² National Childhood Vaccine Injury Act of 1986, Pub. L. No. 99-660, 100 Stat. 3755. Hereinafter, for ease of citation, all "§" references to the Vaccine Act will be to the pertinent subparagraph of 42 U.S.C. § 300aa (2012).

Order #9, petitioner's counsel represents that petitioner incurred no out-of-pocket expenses. (*Id.*) Thus, the total amount requested is \$14,905.67.

On January 2, 2018, respondent filed a response to petitioner's motion. (ECF No. 38.) Respondent argues that "[n]either the Vaccine Act nor Vaccine Rule 13 contemplates any role for respondent in the resolution of a request by a petitioner for an award of attorneys' fees and costs." (*Id.* at 1.) Respondent adds, however, that he "is satisfied the statutory requirements for an award of attorneys' fees and costs are met in this case." (*Id.* at 2.) Respondent "respectfully recommends that the Chief Special Master exercise her discretion and determine a reasonable award for attorneys' fees and costs." (*Id.* at 3.)

Petitioner has filed no reply.

The undersigned has reviewed the billing records submitted with petitioner's request. In the undersigned's experience, the request appears reasonable, and the undersigned finds no cause to reduce the total requested hours. However, upon review of the distribution hours billed by petitioner's counsel the undersigned has found that the amount of hours listed as expended by petitioner's counsel in the application do not match the time as provided in the time records and will need to be adjusted accordingly. Time records submitted show petitioner's counsel, Paul R. Brazil, expended 3.9 hours at a rate of \$255.00; 12.9 hours at a rate of \$275.00; 16.7 hours at a rate of \$300.00 an hour. Attorney C. Clark Hodgson, III expended 6.3 hours at a rate of \$225.00 an hour. The total fees for Mr. Brazil and Mr. Hodgson is \$10,969.50. Paralegals billed a combined 25.6 hours at an hourly rate of \$125.00 for a total fee of \$3,200.00. Total attorney's fees equal \$14,169.50, a reduction of \$12.50.

The undersigned has reviewed the billing records submitted with petitioner's request. In the undersigned's experience, the request appears reasonable, and the undersigned finds no cause to reduce the requested hours or rates. However, due to attorney C. Clark Hodgson, III's inexperience in the Vaccine Program, the undersigned does find cause to reduce his hourly rate from the requested \$225.00 an hour to \$200.00 an hour. Therefore, attorneys' fees are reduced by \$157.50 for a total of \$14,012.00. The full amount of costs sought, \$723.67, is awarded.

The Vaccine Act permits an award of reasonable attorneys' fees and costs. § 15(e). Based on the reasonableness of petitioner's request, the undersigned **GRANTS** petitioner's motion for attorneys' fees and costs.

Accordingly, the undersigned awards the total of \$14,735.67³ as a lump sum in the form of a check jointly payable to petitioner and petitioner's counsel Paul R. Brazil.

³ This amount is intended to cover all legal expenses incurred in this matter. This award encompasses all charges by the attorney against a client, "advanced costs" as well as fees for legal services rendered.

The clerk of the court shall enter judgment in accordance herewith.⁴

IT IS SO ORDERED.
